The end of the year can be a very busy with the holidays and TOPS business. You all received your Chapter Maintenance and Workshop fees form at Fall Rally. Let's all send it in now. By sending it in this week you lessen the possibility of losing the form or forgetting to send it to Shirl. PLEASE, do it now. I know several of you have sent these already. THANK YOU!!!

The annual "Resume' Workshop" was held after Fall Rally. I was glad to see so many in attendance! By doing so, you increased your chances of having a Perfect Resume' for the year. Don't wait until the last minute to start your Resume'. You can start now by preparing your weight charts. **Remember: If you have problems with your Resume' call Phyllis(me) or Chris. Chris's contact info was in her letter to all chapters.** Your Resume' must be postmarked by January 8. Don't be late or your winners will be disqualified.

By now, you all have the recent letters from Mary Reed, Shirl and Chris Whiteley. Have you read them to the chapter? Chris Whiteley is our new State Coordinator. Starting Dec. 20th all things you would normally send to Shirl must be sent to Chris. Make sure that you send new membership applications, membership renewals, KOPS changes, and

your Resume' to Chris. If you send your Resume' to Shirl, it will be late. Make sure it is postmarked no later than January 8!!

SRD letters should have been received recently. Make sure it is read to your chapter so those planning to attend can get registration and reservation information. Remember, SRD 2012 is in Huntsville on May 18 & 19. Start making your plans now to attend. I look forward to seeing all of the North Alabama chapters represented.
